EXECUTIVE SEARCH

## IT TAKES ONE TO KNOW ONE.

A seasoned expert can immediately spot another subject matter specialist. Seen as a true opinion leader in your field of expertise, your specialized knowledge and skills are in high demand. You've gained substantial experience throughout your career and have perhaps, been there, and done them all.

Now, you want to be challenged. You are looking at a change, but one that allows you to tap on all that you know, to use what you are familiar with, to do something different. Experience a career that lets you build on what you already know. Be a Banking, Industrial or Technology Consultant in executive recruitment. Your role is simply to spot a candidate as specialized as you are in the field of Banking, Industrial or Technology.

### EXECUTIVE SEARCH CONSULTANT (BANKING/INDUSTRIAL/TECHNOLOGY)

As an Executive Search Consultant, you will be involved in sourcing, qualifying, interviewing and screening candidates in middle and higher management for our clients. You will match seasoned experts to high-profile managerial and directorial vacancies.

As the face of Sanford Rose Associates, it is crucial for you to be an articulate and confident professional, with at least 6 years of sales/marketing experience in the Banking, Industrial or Technology industry.

You must be comfortable in meeting people and adept in communicating with both clients and candidates. Your social skills and business acumen are exceptional, and your grasp of the language is impeccable. Your tenacity, energy and hands-on approach toward work, will keep you motivated in achieving the goals set for you. Superior performance on your part will be rewarded with a competitive pay and benefits package, as well as opportunities for advancement.
